PROJECTS

Asphalion contributions to the fight against COVID-19

15
MONTHS

At Asphalion, we work together with our clients to generate ideas and implement solutions that contribute to improving health in our lives.

Clinical trials support

- Investigator's Brochure (IB) for clinical trials preparation
- Review of IMPD for COVID-19 trials
- Support on the update of an IMPD and IB for a COVID-19 treatment
- Assistance in the preparation of an IMPD for a COVID-19 treatment
- Regulatory support for the development of a medicinal product

Regulatory support during vaccine development

- Regulatory support for the development of two vaccines against COVID-19
- Adapting the quality part of two existing IMPDs
- Support for COVID-19 vaccine IMPD and IB preparation and CTA

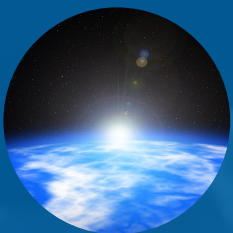

Pharmacovigilance

- Support for pharmacovigilance activities during clinical trial
- Performance of pharmacovigilance activities for a COVID-19 vaccine

Medical devices

- Regulatory advice for a medical devices software for COVID-19 monitoring
- Regulatory support for the extension of a manufacturing license

Horizon H2020

- Participation in the H2020 COVID-19 project of ICFO (VASCOVID)
