

25 Years of Collaboration, Trust & Shared Success

See what our customers have to say!

Pamela García

Regulatory Affairs
Project Leader

“Asphalion has been a **key contributor** to the success of our regulatory documentation efforts, particularly in the development of our Clinical Evaluation; Usability and Biocompatibility Reports. Their **scientific rigor, deep understanding of medical device regulations** has been very valuable to our projects.

We especially appreciate their **strong commitment to deadlines, quick response times and attention to detail.**”

Dídac Royo

UpRetina

“Throughout our collaboration, we have received **consistent and professional support** at every stage of the process. Asphalion’s team, always **attentive** and **willing to help**, has been a **fundamental pillar** in the advancement and development of our regulatory objectives for our UpRetina software healthcare products.

In particular, I want to highlight the **dedication** and **clarity** with which we have been guided, a reflection of the **experience, commitment, seriousness** and **excellence** that characterize Asphalion.”

Inés Pallarés

Regulatory Assistant
*Igenomix, part of Vitrolife
Group*

“Working with Asphalion means having a **team of professionals you can trust**. Throughout our collaboration with them, they have demonstrated their **extensive knowledge** of the sector, as well as their **technical expertise**, to provide **tailored advice** for each specific case and **offer realistic, practical solutions.**”

Dr Richard John Houghton

Deputy General Manager Reg
CMC
*Mitsubishi Tanabe Pharma
Europe*

“It has been a pleasure collaborating with Asphalion over the past 12 years.

Asphalion has been our partner of choice for a range activities including initial regulatory submissions in EU/EEA and Switzerland, post-authorisation life-cycle management and post-Brexit pharmacovigilance support for our drug products in the EU region/EEA. Asphalion support was **critical** to ensuring our first ever marketing authorisation in Switzerland.”

María González Nieto

Regulatory Affairs Manager
Biogénesis Bagó

“Asphalion has been and continues to be an **efficient** and **agile** partner of Biogenesis Bago. They are very **organised** and **responsive** to the customer's needs.”

Senior Business Consultant

Leading solutions and services provider

“I am quite sure that this might have not been possible, should there have been a less **skillful, experienced, and committed** partner supporting us, other than Asphalion. Your contribution is huge, and is deeply appreciated.

Once again, thank you for supporting us.”

Regulatory Affairs Senior Manager

Pharmaceutical
Company

“I want to say that I am **truly delighted** with our collaboration. I would choose Asphalion to handle all the support in Spain and Portugal, as you are **very professional** and inspire **great confidence** compared to the other consultancies that also work with our headquarters.

I would also like to sincerely thank you for your patience and kindness.”

Regional Regulatory Affairs Senior Manager

Pharmaceutical
Company

“My sincere appreciation to Asphalion Team for the **exceptional work** done in completing this project.

Your **dedication, expertise, and efficient** service played a pivotal role in ensuring that this project was completed in the shortest possible time frame.”

María Salido

CEO and Co-Founder
SocialDiabetes

“At SocialDiabetes, we have been working with Asphalion for three years to design and maintain our entire quality system and medical device certifications. From the beginning, we felt we were in **good hands**.

Some services require more than just technical expertise. We need **trust, collaboration, personalization, empathy...** and the Asphalion team provides that **comprehensive service**. We have consistently found that they possess a high level of **knowledge** and **experience**, which provides **confidence** when facing regulatory requirements. We have also seen how they have been able to **adapt to our** company's specific **needs** and defend our requirements with solid arguments, and we have felt their total **commitment** to meeting deadlines and completing projects.”

Milena Barrozo

Co-founder & Director
Vita Pharma Consulting

“Your company is truly one of the ones we admire most in the industry — a reference in **excellence, credibility, and partnership**. It is a real pleasure to be connected with you, to collaborate and learn alongside such an inspiring team.

We wish you continued growth, innovation, and many more years of success!

And we couldn't miss the opportunity to also thank you for the exchanges, opportunities, and partnership”

Ana Villalba

CEO
StimuSIL

“We are **happy** to have selected Asphalion as our Quality Assurance Representative because on top of the extensive experience that Natalia brings to the team, the rest of the Asphalion team is always there to support her in the areas that require **more expertise.**”

Regulatory Affairs Senior Manager

Pharmaceutical
Company

“The support of the Asphalion team in this work has been **integral to the success** we have been able to achieve so far. It allowed my team members to be freed up for the other essential work they do with the knowledge that activities were being well taken care of.

I have had really **positive feedback on the whole Asphalion team** and I know my team members enjoyed working with them and were well supported by them.”

Procurement Specialist

Oncology-focused CRO

“We especially highlight their **excellent disposition** and **collaborative attitude** at all times. They are always open to adapting to our needs, demonstrating great **flexibility** and **commitment**.”

We definitely recommend this provider for their **professionalism, adaptability, and excellent customer service.**”

Regulatory Team

Orion

“Over the years, Asphalion has been a **trusted** and **valued** partner, contributing significantly to our regulatory success. Your **timely responses, expert guidance,** and **collaborative spirit** have driving our projects forward with clarity and success.

Thank you for your continued support and dedication. We look forward to many more years of successful collaboration.”
